

**GOVERNMENT OF WEST BENGAL**  
**HOUSING DEPARTMENT: AKANKSHA CELL**  
**N.S. BUILDINGS, 1, K.S. ROY ROAD, KOLKATA-01**

**No.02 –H8/4M-1/2017**

**Date:11.01.2019**

Questions have been raised by different allottees of different categories regarding payment of 90% of tentative price of the flats.

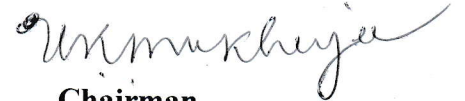

Housing Department is collecting payment in instalment as per G.T.C.. Housing Department has failed to collect the instalment after the 6<sup>th</sup> floor slab-casting was done only for Elegant category.

The tender that was matured and accepted by Housing Department for construction of 7(seven) nos. of towers of Elegant, Premium and Classic category, is not final. Some additional work (Civil & Electrical) which are not included in the tender will be carried out.

You need not worry about the excess payment. You are paying 90% only. 10% is still in your hand. We will be able to calculate actual expenses after completion of the project as per G.T.C. We are trying to complete the project within the tentative cost as per G.T.C. Please let us complete the project. Your area of flat, cost of construction etc. will be given as per GTC. At the same time we have extended the last date of depositing of this instalment upto 31.01.2019 due to the request from some allottees and the strike of Banks.

We are happy to interact with you.

Thanking you all.
